

WWE 13 PC Game is a wrestling simulation video game developed by THQ, released on November 16, 2012. It is the first WWE title to be released for Microsoft Windows and Xbox 360 as well as the first WWE game to feature a licensed soundtrack. On April 7, 2014 it was announced that WWE 13 had been discontinued and support for online multiplayer had ended. WWE 13 PC Game is one of the first titles to support True Performance Shading technology. WWE 13 PC Game features 7 playable superstars, including CM Punk, Dolph Ziggler, Santino Marella, The Miz and Kofi Kingston. The game also has a downloadable roster featuring John Cena, CM Punk and Daniel Bryan as Downloadable Content. "The Shield" consisting of Roman Reigns, Seth Rollins and Dean Ambrose from NXT were introduced as DLC on April 7, 2014 after being announced on March 11 2014 for the Playstation 3 and Xbox 360. WWE 13 PC Game received positive reviews from critics with an average score of 77%. GameSpot gave the game a 7.5/10, praising over-the-top violence and strong audio elements but criticizing the gameplay for being too fast-paced for its own good at times.
